

*Teleradiology Solutions, Supported by the Telerad Foundation conducted a one day CME Program on Advanced Imaging At Its RadGurukul Auditorium On Sunday September 18, 2011. The CME covered topics such as Advanced Neuro MRI, PET-CT Imaging, Stroke Perfusion CT, Pediatric Cardiac CT and Cardiac MRI, with excellent presentations by Dr Zahoor Ahmed, Dr PG Sridhar, Dr Jayadeepa S, Dr Geetha B and Dr Savith Kumar of Teleradiology Solutions. Distinguished visiting faculty was Surg Cdr Dr IK Indrajit of the Command Hospital Bangalore, who delivered an outstanding lecture on Pediatric Cardiac MRI. The CME program was very well attended and the feedback has been overwhelmingly positive.*

*The next CME program at Radgurukul will be held in March 2012 and will be in the form of a resident refresher course and quiz.*
