Interspersed between were interactive QUIZ sessions in 3 rounds - based on image spotters, recent advances and interventions. At the end of the day was the eagerly anticipated ICU chest radiology interaction with Dr. Mini Pandit from Phoenix, USA - over web conferencing - an innovative use of technology for e-learning - another first of its kind, which was truly outstanding !

Ultimately Dr. Suhas-from DC Agarwal Imaging Center New Delhi emerged as the clear winner to receive an autographed copy of Anne Osborn's Textbook of Neuroradiology from Dr. Arjun Kalyanpur.
